COVID-19 parent letter

Dear parent/caregiver,

Today the Premier announced a 7-day state-wide lockdown starting at 6.00pm tonight (Tuesday 20 July). Only the children of essential workers and vulnerable children will be able to attend Ardrossan Area School.

For children of essential workers, a skeleton staff will provide supervision but not a learning program for Wednesday.

We will be offering a remote learning program from Thursday and more details will be sent from your classroom teacher.

If your child needs to attend, we will be here for them.

All students have been asked to take home books and anything else they need to continue their learning from home. Students who have indicated they do not have a lap top/device at home have been provided with one. Parents of these students have been emailed a Loan Agreement.

More information on learning programs will be provided later this week, as we work our way through the new COVID-19 Directions.

All South Australians are making sacrifices to ensure our community remains as safe as possible. We appreciate that this is a significant undertaking for you and your family. Your child's teacher, our support staff and I are here to support you where we can.

Kind regards,

Margaret
