

LUNCH POLICY

Lunch Orders

The Governing Council supports a single local provider for school lunches.

The provider is responsible for:

- the school lunch menu being consistent with the Right Bite Food and Drinks supply standards
- ensuring only items on the school lunch menu is being provided to students and staff
- collection of orders from the school and delivery of food to the school by 12:40 pm
- the provision of lunch order bags and only accepting lunch orders via the school or directly to the provider

Students are expected to:

- order items that are listed on the school lunch menu
- order lunches on the bags provided in Home Group

Lunch Passes

Students can seek a lunch pass to *go home for lunch*, provided that:

- a request is made in writing and signed by the parent/caregiver
- the request is approved by a member of the Leadership Team
- they sign out when leaving and sign in upon return to school
- they return to school before lessons commence

Lunch passes are not provided so that students can go down the street to purchase lunch.

Lunch passes can be issued for periods up to a whole year or on an ad hoc basis.

Lunch Supervision

All students are supervised by teaching staff during eating time from 12:40 until 12:50 pm

Lunch Delivery

If parents/caregivers deliver lunches to the school, they should leave them at the Front Office. Students will be notified during break time and are expected to collect their lunches.

Parents/caregivers are discouraged from purchasing food items not on the school menu and delivering them to school.

Lunch menus are available at the Front Office.
